

6 September 2000

**SUBJECT: Disposition Instructions for Emergency  
Breakaway coupling NSN 4730-01-297-6843**

**FROM: TACOM, SYSTEMS INTEGRATOR FOR THE PM PETROLEUM AND  
WATER SYSTEMS.**

**TO: ALL HTARS (LIN R66273) USERS**

**- HTARS MODEL 50-0051 (4930-01-289-2273),**

**HTARS 100 (4930-01-365-7771) AND**

**HTARS 101 (4930-01-435-9019)**

1. SOUM-ATCOM-94-006 was issued in JUL 94 directing HTARS users to locate and remove Emergency Breakaway Couplings (NSN 4730-01-297-6843) from all HTARS. Users were directed to hold all removed Emergency Breakaway Couplings pending disposition instructions. **Disposition instructions were never issued.**
2. HTARS users are now directed to located any Emergency Breakaway Couplings in storage and send them to DRMO (follow normal supply procedures).
3. **Do NOT use subject Emergency Breakaway Couplings.**
4. The logistical POC for this action is Linda Reichlmayr, AMSTA-LC-CJA, DSN 786-4156 or Commercial (810) 574-4156 or email [reichlml@tacom.army.mil](mailto:reichlml@tacom.army.mil).
